

Numerus fixus programmes

Did you know that you can apply for two numerus fixus programmes?

At Maastricht University, we understand the importance of making study choices, and we want to make the process as straightforward as possible. That's why we've outlined the regulations regarding the numerus fixus programmes Biomedical Sciences and Medicine for you.

What is allowed

You are allowed to apply for Medicine at Maastricht University **AND** another numerus fixus programme at Maastricht University or at another educational institution.

You are allowed to apply for Biomedical Sciences at Maastricht University **AND** another numerus fixus programme at Maastricht University.

You are allowed to apply for Biomedical Sciences at Maastricht University **AND** Biomedical Sciences at another educational institution.

What is not allowed

You are not allowed to apply for two Medicine programmes in the Netherlands in the same academic year.

Don't worry! Both selection procedures are independent of each other and do not affect each other in any way. If you apply for two numerus fixus programmes, your chances of being admitted to one of either do not decrease. **The application deadline for both programmes is 15 January 2024.** The above regulations apply per academic year. The number of chances you get per numerus fixus programme may vary depending on the educational institution. You get two chances at Maastricht University, both for Biomedical Sciences and Medicine.
